Sir,

Re Extra establishment required in connection with resurption of sites sold prior to 1942

In enclosing herewith copy of the Mysore City Municipal Council's Resolution No 984 dated 27th April 1946, re resurption of sites sold prior to 1942 on which buildings have not yet been constructed, I have the honour to state that this is an important and urgent matter requiring immediate attention But to prepare a statiscal statement showing the names of defaulters, and the terms of agreement etc , it is necessary that a Clerk in the grade 25-1-40 and Suboverseer on 35-5/2-80 are appointed for a period of three months in the first instance The Suboverseer's duty will be to go and inspect the sites, make necessary enquiries of the parties concerned as to the cause for delay in the construction of buildings and report The clerk in the office will be required to trace the old records and furnish to the Suboverseer the mutchalikas and other necessary records necessary, prepare notes for orders and take further necessary action in each case

2 This will facilitate office to take action against persons who have been given sites long back, but who have failed to construct houses thereon according to mutchalikas executed by them and to resume the sites to the Trust Board wherever possible for being sold to others to lessen the dearth for houses in the Mysore City

3 The Trust Board Resolution No 476 dated 29th May 1946 in this connection is enclosed for kind perusal and sanction to the appointment of a clerk and a Suboverseer for a period of 3 months in the first instance for the above purpose is solicited

I have the honour to be,
Sir,
Your most obedient servant,
